

***% Wireless Coverage - Campus**

Interior Q1/2008

<i>Estimated # of waps to cover interior</i>	1200
<i># of waps installed</i>	301
<i>*% Coverage</i>	25%

of Wireless Access Points and %

Total Capacity Q1/2008

<i># of waps installed</i>	301
<i>Max number of waps possible because of hardware limitation</i>	600
<i>% Capacity</i>	50%

*This is only an estimate for interior buildings as of 2007. Higher bandwidth demand will require additional waps and will reduce the % coverage metric
