

October is National Cyber Security Awareness Month

Use Strong Passwords

Now is the perfect time to change passwords that don't meet UCSC's Password Standards!

Scan to go to the CruzID password change page

- At least 8 characters long
- At least 3 of the following: upper case letters, lower case letters, numbers, special characters
- Less complex passwords should be longer
- Don't use a dictionary word, your username, child's name, pet's name, birthdays, abc123, password1, etc.

UCSC's Password Standards:
